

Currently the Dean of the CSU College of Veterinary Medicine and Biomedical Sciences, Dr. Voss received his Doctorate of Veterinary Medicine from CSU in 1958 and was hired by the University as an instructor. While a student, he was one of my best instructors. As the university was growing and seeking to enhance its veterinary teaching capabilities, plans for a new Veterinary Teaching Hospital got underway. Dr. Voss became the faculty representative of the hospital building committee. In 1979, the Hospital was completed. And now, the Hospital will bear his name.

I am proud to join all CSU veterinary School alumni in saying that no finer man deserves this honor. This building and all the science and teaching that has taken place in it since 1979, are direct results of Dr. Voss' determination, dedication and love of veterinary medicine. Because of Dr. Voss and his long service to the university and our profession, CSU has produced some of the finest veterinarians in the nation. CSU and Ft. Collins have become central locations in national and international veterinary science.

When one man does so much for an institution and a profession like Dr. Voss has, it is only fitting to honor him in this manner. I am extremely pleased that from this day forward, the James L. Voss Veterinary Teaching Hospital at Colorado State University will continue to serve the university, the veterinary medical community, and science.●

TRIBUTE TO THE GEORGE KHOURY ASSOCIATION OF BASEBALL LEAGUES, INC.

● Mrs. CARNAHAN. Mr. President, I take this opportunity to recognize an outstanding organization that is dedicated to youth baseball, the George Khoury Association of Baseball Leagues, Inc. I commend this extraordinary program that is celebrating its 65th anniversary.

The George Khoury Association of Baseball Leagues, Inc. was founded by George M. Khoury in 1936 in Saint Louis, MO. It is dedicated to promoting America's favorite pastime, and committed to giving youth a chance to play the game and learn about sportsmanship. In 1936, there were only four baseball teams in the Khoury league. However, after World War II, the program began to expand into other states, like Kentucky and Illinois. Now there are leagues in several states all over the country and even in some foreign countries. The Khoury league not only includes baseball teams, but also softball, soccer, and other exciting team sports.

I commend the George Khoury Association of Baseball Leagues, Inc. for its dedication to youth sports and the community.●
